

A powerful drug lord threatens to bring America to its knees. Only one man can stop him. Two years ago, Secret Service Agent Matthew Richter faced the most difficult decision of his life, knowing that by saving the former, the latter would die. In the aftermath, he fled Washington and the agency that failed him. With wounds heâ€™s certain will never heal, he seeks refuge behind a gun as the commander of an FBI SWAT team in New York. After a raid turns sour and Richter is sidelined, possibly for good, he is reluctantly drawn back to Washington by the man he once saved. When drug cartels threaten to topple the Mexican government and the violence begins to spill across the border, Richter tells President David Kendall itâ€™s time to take off the gloves. One by one, cartel warehouses and tunnels are raided and their drug caches destroyed. One by one, their sprawling compounds and bank accounts are seized. One by one, drug lords are targeted and killed. One by oneâ€™’all except, that is, for Pablo Guerrero, the ruthless head of the Sangre Negras cartel, who has only grown stronger as others have fallen. When the hunt for Guerrero finally draws first blood, he unleashes a war no one is prepared for. Now Richter must stop him before itâ€™s too late. An Eye For An Eye is the action-packed sequel to In Sheepâ€™s Clothing, L.D. Beyerâ€™s gripping debut novel.
