

This up-to-date and comprehensive set of two CD-ROM discs provides a superb collection of official Federal government documents on the subject of chronic fatigue syndrome. Chronic fatigue syndrome (CFS) is a disorder that causes extreme fatigue. This fatigue is not the kind of tired feeling that goes away after you rest. Instead, it lasts a long time and limits your ability to do ordinary daily activities. Symptoms of CFS include fatigue for 6 months or more and experiencing other problems such as muscle pain, memory problems, headaches, pain in multiple joints, sleep problems, sore throat and tender lymph nodes. Since other illnesses can cause similar symptoms, CFS is hard to diagnose. For patients, practical information is provided in clearly written patient education documents. For medical professionals, doctor reference tools and texts have detailed technical information and clinical background material. There is no other reference that is as fast, convenient, and portable - everything you need to know, from the federal sources you trust. This thoroughly researched collection presents vital information from many authoritative sources: Food and Drug Administration (FDA), Centers for Disease Control (CDC), National Institutes of Health (NIH) and the relevant institute for this disease, and others. In addition to the comprehensive disease-specific coverage, this disc set also includes our Medical Encyclopedia, a \$19.95 value! The Encyclopedia presents a collection of official documents about a wide range of medical topics, diseases, illnesses, health and wellness. There is vital information from the National Institutes of Health (NIH), the Centers for Disease Control (CDC), National Cancer Institute, and more. Topics covered include: major diseases, including cancer, heart and vascular disease, stroke, blood diseases and disorders, lung diseases, and neurological disorders such as dementia and epilepsy \* CDC Health Topics A to Z, Foodborne Illnesses, Infants and Children, Injuries, Occupational Health, Older Adults, Women \* CDC Travelers Health - Destinations, Vaccinations, Diseases, Mosquito, Tick, Food, Water, Clinics, Yellow Book, Children, Airplanes, Cruise Ships, Special Needs, Relief Workers, \* Dietary Guidelines \* NIH A to Z from abnormalities to X-rays. Since navigating the Internet to find additional non-governmental medical information can be confusing, we've also provided our exclusive Guide to Leading Medical Websites with updated links to 67 of the best sites for medical information! Built-in weblinks let you quickly check for the latest clinical updates directly from the government and the best commercial portals, news sites, reference/textbook/non-commercial portals, and health organizations.

Travels in Northern Greece (Cambridge Library Collection - Archaeology) (Volume 4), ANALYZING COMPETITIVE STRATEGIES OF FOREIGN BANKS IN EMERGING MARKETS: Global Banking Competition in Emerging Markets, Biographical and portrait cyclopedia of Chautauqua County, New York, Obradors - Classical Spanish Songs for Voice and Piano - Sheet Music, Dragon Moon, Pierre Paul Rubens (French Edition), Helping Students Remember, Includes CD-ROM: Exercises and Strategies to Strengthen Memory, Swamps and Marshes (Our planet), U Join The Unemployment Line By Investing Your Way Out Of Your Job, Rikki-Tikki-Tavi (Adaptation) (Turtleback School & Library Binding Edition),
