

For Jake Thunder, a paralyzed ex-US Air Force special operations commando, everyday life is a battle. A hard-boiled, hard-drinking womanizer on one hand, Jake also tries to learn from the wisdom of his Native American past while trying to revive his dead legs through holistic acupuncture treatments. When a knockout blonde strides into his office and demands he figure out who killed her sister, he doesn't dare refuse - especially after he gets a good view of her legs. But a simple whodunit soon becomes a tangled web of deceit, familial backstabbing and black-market baby dealing involving everyone from the Russian Mafia to the Defense Intelligence Agency...all of them gunning for Jake! This is the first Jake Thunder novel, originally published in hardcover in 2004 by FiveStar Mysteries. This book also contains an excerpt from THE FIXER (A Lawson Vampire Novel #2) and runs approximately 81,000 words. The author's website is <http://www.jonfmerz.net>

Merz's THE KENSEI (A Lawson vampire Novel #5): If James Bond, True Blood and Kill Bill created a mutant hybrid of a book, it would be The Kensei. Did I mention vampire ninjas?--Jason Pinter, bestselling author of The Fury and The Darkness The Kensei is an action novel with real bite. Vampires, Yakuza killers, crooks and animal-monster hybrids. Jon F. Merz brings his A-game and then ratchets it up to a whole new level of supernatural action. Merz seamlessly welds gritty detail with myth and legend to create a thrill ride into the shadow-world lurking beneath modern Japan. Lawson's fight against evil has bone-crunching authenticity.
