

Here's a hands-on introduction to dinosaurs in this super series that invites preschoolers through first graders to lift and peek under as many as 70 flaps! Vividly realistic panoramas bring the extinct world of dinosaurs to life and show kids how and where dinosaurs lived, what they ate, how they bred, and how they fought. With cut-away close-ups of fascinating dinosaur features and intricate diorama-like scenes, this is the most dynamic and information-packed Great Big Flap Book yet!
