

Halloweena wants to do something special for the ghosts of Halifornia. She decides to grow a pumpkin. From a tiny seed she grows a huge pumpkin over the top of a hill and when the pumpkin is very huge it cannot hold on its weight thereby separating from the stem and rolling over the hill down to Halifornia. This worries Halloweena much but fortunately the pumpkin stops rolling at the bottom of the hill and everyone around is happy and surprised to see the humongous pumpkin. To thank Halloweena the Halifornians carve a Pumpkin Halloweena for Halloweena.
