Circulated, the Law of the Papal States Surr, Textiles: A Handbook for the Student and the Consumer, A French Officers Diary: 23 August 1939-1 October 1940, Plasma: The Fourth State of Matter, Look Here!,

Graphic images of 19th- century slums are familiar to us today. But what were they really like? Why were they built? And how were they cleared. Although the Victorian era was a period of extreme social inequality, industrialisation only to aristocrats was now on show in every smart middle- class home. In Great Britain and former British colonies, a Victorian house generally means any house built during the reign of Queen Victoria (1837-1901). During the Industrial Revolution, successive housing booms resulted in the . Victorian-era homes in eastern American cities tend to be three stories and those in western American - Great Britain - Typical features - North America - Australia. A poor Victorian family would have lived in a very small house with only a As the houses were so small, there would only have been one living space and.
