

Shanay Turner is an ambitious young reporter determined to make her mark in the world of journalism. But when she meets John Malone, a stud of a cop, and they develop a deep bond based, not only on hot sex and passion, but on mutual respect and admiration, her life changes forever. Police Captain John Malone never dreamed a young, slip of a girl like Shay Turner could make him gladly turn in his player card, but that's exactly what happens. First he respects her spunk and her refusal to kiss up to the powers that be, including him. Then he falls hard for her body, a body that gives him the kind of pleasure he's always longed for. But when he falls deeply in love with her, and others in town aren't all too thrilled with their union, he realizes that loving Shanay isn't going to be as easy as cherishing her and being completely devoted to her. He has to protect her, too. Loving her Soul Mate is the story of a May-December, interracial romance where two people share a bond that constantly gets tested. And they fight with all they have to overcome every test.
