

Here in one collection is all the music you need for all phases of a traditional wedding ceremony. These classical and original selections are arranged as instrumental duets primarily for alto and tenor recorders, with some for C fingering only, and optional bass parts. Music is provided for prelude, the procession of the bridesmaids, the bridal procession, the lighting of the Unity Candle, recessional, and postlude. A lengthy section of preludes and postludes supplies plenty of beautiful music for use at the ceremony or at the reception.
