â€¢ Volume: TWO Happiness Saga Series What is the best investment opportunity in the world? After an exhaustive survey, enigmatic billionaire Professor Happiraja decides to invest his billion-dollar legacy in a beautiful island, and baptizes it as the Happy Raj. His noble objective is to increase the stock of happiness in the Planet Earth. The Happy Raj Saga is a series of six novels about the happiness operations of Professor Happiraja. It has a common theme: Happiness Through Meditation. The Saga, is a 350 000-word story, illuminated with the philosophy of Lord Buddha. The first novel in the Saga series, The Happy Raj was selected to the First Place in a competition organized by the Government of Sri Lanka [Department of Cultural Affairs] in 2010. Professor Happiraja builds the Happy Raj Meditation Center to use as his launch pad and the Sotapatti Meditation Program as the vehicle, to push his yogis to expedite their march towards Nirvana.. The Saga has a small group of interesting characters. Their interactions are intricately carved and woven together to make Happy Raj Saga, an unforgettable reading experience. The author with his multi-faceted training and experiences in a spectrum of fields and services, is trying to focus the attention of his readers to meditation, with the objective of moving them to higher echelons of happiness. The Happy Raj Saga runs on two parallel rails: The emotion-packed drama of the family of Weda Ralahamy, moves up, down, and sideways, motored by beauty queen Nangi, and her sister Akki. It is packed with heart-melting pathos, nerve-wracking poignancy created by iguanas, migratory birds, squirrels, and non-human forces such as ghosts and divine beings. Even dreams play an important role. Mid-ocean boat accidents, mysterious deaths, attempted suicides, the rape of an unconscious beauty queen, terrorist attacks, tsunami waves, and tornados add more sugar, spices, and vinegar to the dishes. On the other rail runs the spiritual bandwagon of Professor Happiraja and his group of holy men and women, where philosophy-packed strategic operations such as Operation Nirvana, are formulated and launched, to push the meditators towards supreme happiness levels in Nirvana. Professor Happirajaâ€™s elevation to the Arya Marga contributes to act as an anabolic steroid to the others meditating in the Happy Raj. â€¢ Book title: PARADISE IS FOR LADIES ONLY
