

At every stage in world history, a core group of individuals have been the driving force behind the most critical events. They have defined the issues, pushed for change, debated, and led others for a cause. Each title in the People at the Center of series pulls together the core collection people that have influenced, caused, and reacted to the worlds most significant historical events. Each extended encyclopedic entry covers biographical details as a basis for leading into the significance of each person and how they fit into the bigger picture.
