

In this exquisitely produced book, the influential American photographer Robert Adams revisits the classic collection of nocturnal landscapes that he began making in the mid-1970s near his former home in Longmont, Colorado. Originally published by Aperture in 1985 as *Summer Nights*, this new edition has been carefully reedited and resequenced by the photographer, who has added 39 previously unpublished images. Illuminated by moonlight and streetlamp, the houses, roads, sidewalks and fields in *Summer Nights, Walking* retain the wonder and stillness of the original edition, while adopting the artist's intention of a dreamy fluidity, befitting his nighttime perambulations. The extraordinary care taken with the new reproductions also registers Adams' attention to the subtleties of the night, and conveys his appeal to look again at places we might have dismissed as uninteresting. Adams observes, "What attracted me to the subjects at a new hour was the discovery then of a neglected peace."

Foreign Consular Offices in the United States: Fall/Winter 2001, The Resurrection of Ireland: The Sinn Fein Party, 1916-1923, Tequila Bartender, The Dictionary and Grammar of Hiri Motu, Dusty Locks and the Three Bears, Field Programmable Logic and Applications: 13th International Conference, FPL 2003 Lisbon, Portugal, September 1-3, 2003 Proceedings (Lecture Notes in Computer Science), Houghton Mifflin Harcourt Journeys Leveled Readers: Common Core Vocab Readers 6-Pack, Unit 5, Selection 1 Grade 3 Book 21, Life on the Prairie, Red Panda: Children Book of Fun Facts & Amazing Photos on Animals in Nature - A Wonderful Red Panda Book for Kids aged 3-7, THIS SIDE OF PARADISE (Illustrated, complete, and unabridged),
