

To be successful in the business world and reach your full potential in life, its not enough to be simply competent. Our modern, super-competitive world is full of opportunities for the go-getter, but to take advantage of them, its essential to become SuperCompetent. The SuperCompetent person is one that companies fight to get, fight to keep, nurture as team players, and see as future leaders in their business growth. But SuperCompetence isnt something youre born with-its something that you can learn, no matter where your strengths lie or what industry you work in. In SuperCompetent, productivity expert Laura Stack identifies the behaviors that build leadership skills, boost organizational efficiency, and blast high potential producers to the top of their fields. With Stacks Six Keys, youll be able to consistently improve your performance, develop the confidence that will propel you forward, and achieve breakthrough results in your career. Activity: The value and importance you place on your tasks and priorities Availability: The ability to master your schedule and protect your time Attention: The capacity to focus intently and concentrate on critical activities Accessibility: The skill to organize your workflow and quickly find information Accountability: The extent to which you assume personal responsibility for your actions and outcomes Attitude: The intensity of your motivation, drive, and proactiveness With worksheets and quizzes that help you evaluate your performance at every stage, and invaluable resources for further information, youll be able to integrate the Six Keys of SuperCompetence into your daily, weekly, and lifetime business practices. From the sales floor to the conference room, from board meetings to informal networking events, SuperCompetent enables you to build your focus, manage your resources, and maximize your ability to deliver at every level.

Drowning Lessons, Improvements Dialysis Ther (Contributions to Nephrology), More Homework: Bk. 1, Novelty, Information and Surprise, Bacteria, Yeasts, and Molds in the Home,
