

TnS little book has no serious historic pretensions. It is frankly journalistic the record of momentous events chronicled hot on the heel of happening. It was my good fortune to be among the first to reach Petrograd after the Great Upheaval. I found the capital delirious with freedom the people still blinking in the light of the sudden deliverance. I saw the fruits and the follies of the new liberty. Whatever social and economic excesses impeded the era of reconstruction and no one can deny that the path of the infant republic is beset with peril the larger fact obtains that the Russian Revolution of 1917 set up a distinct milepost in all human progress. If the war which has reddened Europe has achieved no other result, it would have been worth its dreadful cost in blood and treasure. The liberation of the Slav has changed the trend of universal thought, and will affect and underlie the coming centuries. It wrote on the wall of the world the solemn warning that Autocracy today was done I. F. M. New York: July (Typographical errors above are due to OCR software and don't occur in the book.)
