

Has Almighty God intervened in American history? Many great Americans have thought so, including President Abraham Lincoln as he signs the proclamation creating Thanksgiving as a permanent national holiday for the United States of America. "You must know and remember this," Lincoln puts the matter bluntly. "Our nation began with a miracle." The amazing facts are little remembered today. After their first Thanksgiving celebration in 1621, the Pilgrim settlers at Plymouth Plantation experienced an unmitigated series of disasters that left almost nothing to celebrate. Their third year in the new land nearly ended in the complete destruction of Plymouth. Ultimately the colony managed to survive only as the result of what the Pilgrims saw as one of the most astounding instances of divine intervention in human history outside the pages of the Bible, an event so awe-inspiring that it turned the fortunes of Plymouth completely and permanently around. This historically accurate novel tells the story of that terrible ordeal and its culminating miracle through the eyes of real people, Francis and Hester Cooke and their children, as they and the other people of Plymouth struggle against discord, danger, despair, hunger, exhaustion and outright terror"along with all the accompanying doubts assailing their strong Christian faith. These various conflicts play out over 1623, one of the most dramatic years in American colonial history. The great Wampanoag chieftain Massasoit Ousamequin, who has kept the peace, falls ill to the point of death. The Pilgrims learn that two hostile braves of the local Massachusetts Tribe are attempting to foment a war to exterminate all the white newcomers. Should these troublemakers be stopped, even if by a murderous preemptive strike? What happens afterward, when nature itself seems to turn against all the inhabitants of the land, with the fingers of blame pointed squarely at the people of Plymouth by enraged Native Americans? What happens when the situation becomes so ominous, so deadly, so far beyond human solution, that the Pilgrims have nowhere to turn except to God and the power of prayer?

Pilgrims held their second Thanksgiving celebration in to mark the end of a long drought that had threatened the year's harvest and prompted Governor. WE ALL KNOW THE STORY OF THAT FIRST THANKSGIVING, BUT WHAT DO WE KNOW OF THE PILGRIMS AFTER THAT? AND WAS THERE A SECOND. In the US, Thanksgiving Day will be celebrated on Thursday, November Canadians celebrate Thanksgiving on the second Monday of October.

Following an especially successful raid against the Pequot in what is now Stamford, Connecticut, the churches announced a second day of thanksgiving to. 18 Nov - 5 min - Uploaded by We Are Thomasse The story of the First Thanksgiving seems so innocent and hopeful so what on earth happened.

We will not be publishing tomorrow in honor of the holiday. From everyone at IFWE, Happy Thanksgiving! Thank you for your faithful readership.

The Second Thanksgiving has ratings and 25 reviews. Henry said: The Second Thanksgiving is a historical novel set in Plymouth Colony in It feat.. .

Thanksgiving in the United States is always celebrated on the fourth Thursday in November. In Canada, Thanksgiving is celebrated the second Monday in.
